

Teacher Resource Center of the North Bay

Our Mission as a non-profit organization is to ensure that every public school student in Napa County has the materials he/she needs to succeed in the classroom. Since our inception in 2010, we have successfully called on individual community members and businesses to support us through various fundraising events.

We are inviting you to join us in this project. The idea centers on the concept of recycling tin capsules from wine bottles. We will supply a collection bucket for your staff to use to recycle all of the tin from the neck of each bottle. We will collect the donations and deliver to a local recycling business. We will use the cash to purchase school supplies which we make available to all Napa County public school teachers twice a year.

We hope you will join our growing list of participants!

Cellar Collections, Cliff Family, Clos Pegase, Darms Lane, Delectus, Far Niente, Flora Springs, Frogs Leap, Girard, Grgich Hills, Hall Wines, Hersly Wines, Madonna Estate, Madorom, Miner, Napa General Store, Reid Family, Robert Biale, Swanson Vineyards, Vine Cliff, and ZD Wines.
